

Joseph Remington

BTech - Computer Science and Engineering

As an adventurous CSE student exploring the vast digital realm, I wield the mighty languages of Python and Kotlin, dancing gracefully in the realm of Android development. With a sprinkle of machine learning magic, I'm on a quest to shape a brighter future through innovation and technology.

EDUCATION

High school

Pushpalata Vidya mandir

04/2020 - 04/2023

9.2GPA

Courses

- Python

Btech - Computer science and engineering

VIT-AP University

08/2023 - Present

Courses

- Android development

WORK EXPERIENCE

Student

Pushpalata Vidya Mandir

04/2022 - 03/2023

Achievements/Tasks

- Took lead of a team project for high school project
- 9.2 GPA
- High School Sports Captain

ORGANIZATIONS

Pushpalata Vidya Mandri (04/2018 - 03/2023)

student

VIT-AP University (08/2023 - Present)

student

SKILLS

Html

Css

Nodejs

Kotlin

Android development

Machine learning

Neural networks

Python

Jetpack Compose

PERSONAL PROJECTS

Football ticket booking system (04/2022 - 03/2023)

- High school internal assessment

CERTIFICATES

Machine Learning Specialization from Stanford university (07/2023 - Present)

LANGUAGES

English

Full Professional Proficiency

Tamil

Full Professional Proficiency

INTERESTS

Football

Android Development

Programming
